INTERIOR DESIGN HOSTS A SERIES OF 30/30 EVENTS

(June 21, 2023) Now in its second year, Interior Design's 30/30 Program has picked up some major speed, cities, firms, designers, and popularity.

30/30 is a program where the top 30 designers under the age of 30 are recognized at a prestigious event hosted by INTERIOR DESIGN Magazine, which has a strong history of recognizing those who excel in the design industry. At these events, the top 30 designers collaborate with other professionals to learn, discuss, and explore new skill sets to develop the emerging leaders of today. The main goal of 30/30 is to provide learning opportunities to help these designers advance their professional knowledge and provide them with inspiration to continue to excel.

For 2023, we are excited to be in eleven key markets across the US and even more privileged to have top sponsors and design firms participate.

For our fifth event in the Minneapolis market, we were privileged enough to be hosted by HGA in their Minneapolis office. Below are the companies that participated:

Sponsors:

AGI, Farmboy, Keilhauer, Milliken, Pure + Freeform, Shaw Contract, Teknion, Williams Sonoma

Design firms:

AECOM, Aliance, BDH, BKV, BWBR, Cunningham, DLR Group, EKB Design, ESG, HDR, HGA, IA, Mohagen Hansen, MSR, Nelson, Perkins+Will, Pope, RSP, Shea, Studio BV, Wold Architects and Engineers

In addition to 30/30 events, these young designers are now part of an exclusive program where they will be among the first who are invited to additional INTERIOR DESIGN events and engagements.
